Enquiries show that the correct name of the individual mentioned in the attached report by D.S. Kamashita is S.S. Bliuds and not S.S. Fliudz. His antecedents and record as known to this office are as follows:-

Sergey Semenovitch BLIUDS, former Russian subject of Jewish origin, was born in 1901 at Riga. He is known to have been residing in Shanghai for at least 8 years, during which period he is reported to have been engaged in commercial pursuits. In August, 1929 he registered with the S.C.G. Police Bureau as a former Russian. In 1931 he was registered with the same Bureau as a Lithuanian citizen on the strength of certificate of nationality No 17 issued on 3-12-30 by the Lithuanian Consul in Harbin. He is known to have made several trips to Harbin, Dairen and Japan. At present Bliuds is reported to conduct an import & export business and resides together with his wife, Mrs Helene Bliuds, 30, at 868 Bubbling Well Road, Apt. 108, for which he pays \$ 120 per mensem.

His elder brother Morris Bliuds, who was born on 9-4-1897 at Riga, was registered with the S.C.G. Police Bureau in May, 1930 as a Lithuanian citizen. On December 13, 1935 he arrived in Shanghai apparently from Europe and resided in this city until January 30, 1936, when he left for an unknown destination. He re-appeared in Shanghai on 24-9-36 coming from the North on board the s.s. "Tsingtao Maru". He travelled on passport No W.191 issued on 2-7-36 in Paris. After a short sojourn in Shanghai, he left for an unknown destination and is generally believed to be in Paris at present.

Bliuds brothers are suspected of being engaged in the smuggling of narcotics, but so far there is no evidence to substantiate this suspicion.
